Call for Research Articles

(No Publication Fee for Introductory Issue)

Tamil Nadu Psychology Association and the Indian Institute of Psychological Research and Training are pleased to announce the launch of the International Online Journal of Psychological Community – Humanity and Social Science: A Quarterly Journal.

The first issue of the journal is scheduled for publication in July 2026. As part of the initial process, we are currently proceeding with a trial publication.

Researchers who are interested in publishing their work are invited to submit their original and unpublished research articles along with a plagiarism report.

Authors must ensure that the plagiarism similarity index is within acceptable limits (preferably below 10-15%). The plagiarism report should be generated using reliable plagiarism detection software such as **Turnitin, iThenticate or other recognized plagiarism detection tools.**

As this is an introductory issue, no publication fee will be charged.

The published articles and E-certificates will be uploaded to our journal portal in June 2026.

Please follow the attached journal manuscript format while preparing your paper.

Aim & Scope

The journal welcomes original research in Psychology, counselling, behavioural sciences, education, social work, sociology, community mental health, and interdisciplinary social science studies.

Peer Review Statement

All manuscripts will undergo double-blind peer review by subject experts.

Publication Ethics

The journal follows ethical publishing practices, originality screening, plagiarism checks, and author declaration standards.
